This play is a hilarious melodrama adapted from the 1915 novel by John Buchan and the 1935 film by Alfred Hitchcock. The play's concept calls for the entirety of the 1935 adventure film The 39 Steps to be performed with a cast of only four!! One actor plays the hero, Richard Hannay, one actress plays the three women with whom he has romantic entanglements, and two other actors play every other character in the show: heroes, villains, men, women, children and even the occasional inanimate object. This often requires lightning fast quick-changes and occasionally for them to play multiple characters at once.

You don't want to miss this show!!! Mark your calendars now.

See you at the Star Friday May 17th @ 7:30 pm, Saturday May 18th @ 7:30 pm, or Sunday May 19th at 2:00 pm.

Tickets are \$8 for Star Members and \$10 for Non-Members

Set in an island paradise during World War II, two parallel love stories are threatened by the dangers of prejudice and war. Nellie, a spunky nurse from Arkansas, falls in love with a mature French planter, Emile. Nellie learns that the mother of his children was an island native and, unable to turn her back on the prejudices with which she was raised, refuses Emile's proposal of marriage. Meanwhile, the strapping Lt. Joe Cable denies himself the fulfillment of a future with an innocent Tonkinese girl with whom he's fallen in love out of the same fears that haunt Nellie. When Emile is recruited to accompany Joe on a dangerous mission that claims Joe's life, Nellie realizes that life is too short not to seize her own chance for happiness, thus confronting and conquering her prejudices.

Thomas Richards returns to the Star to direct this seasons summer musical. Come join us this summer for one of the favorites. Auditions will be May 30th and June 1st, check the website for times.
